

SMS Messaging Terms

We send occasional service-related text messages to existing patients and employees, including weather closures, appointment updates, scheduling changes, building maintenance alerts, and security notifications.

- **Message Frequency:** Messages are sent only as needed.
- **Optional Participation:** SMS alerts are optional and not required for medical services, employment, or access to facilities.
- **Opt-Out:** Reply **STOP** to stop receiving messages.
- **Help:** Reply **HELP** for assistance.
- **Rates:** Message and data rates may apply.
- **Support Contact:** For help, contact us at messagingcompliance@mchllp.com.
